History and Systems of Psychology	Bennett College
Tests and Measurements	Bennett College
Africentric Psychology	Bennett College
Psychology of Women	Bennett College
Senior Thesis	Bennett College

Introduction Courses

General/Introduction to Psychology	University of Delaware & Bennett College
Orientation to the College	Bennett College

Laboratories

Statistics and Methods	University of Delaware
Psychology as a Natural Science	Connecticut College

RESEARCH INTERESTS

My basic research question addresses; What factors determine whether, in the face of perpetual threats posed by racism and racial discrimination, African Americans maintain positive psychological well-being, physical health, achieve success and reach personal goals or adopt negative self-images and other destructive behaviors? This is studied through the lens of racial identity development, intersectionality and contemplative practices.
